RECOMMENDED CITATION

Mohammed looti (2025). *PROFESSIONAL-CLIENT SEXUAL RELATIONS*. Encyclopedia of psychology. Retrieved from <https://encyclopedia.arabpsychology.com/?p=18342>

Professional-client sexual relations are a clear and very serious violation of professional boundaries. It occurs when a health care professional engages in sexual activity with a patient under his or her care.

PROFESSIONAL-CLIENT SEXUAL RELATIONS: "Professional-client sexual relations are grounds for immediate termination from the clinic."
