## RECOMMENDED CITATION

Mohammed loot (2025). *SOCIAL INSTINCT*. Encyclopedia of psychology. Retrieved from <https://encyclopedia.arabpsychology.com/?p=20319>

1. Desire for contact and a feeling of belonging in a social setting. 2. Psychology of Alfred Adler. The innate drive for cooperation that makes normal people incorporate social interest and the common good. See herd instinct.

SOCIAL INSTINCT: "Our social instinct is a desire for engaging in group behaviour."
